Defeat the enemy by using your hero's special abilities. Remember to give better equipment to every unit. You can now stop a little bit to strengthen your army. This means that you have to take care of the southern part of the map. Then, you have to attack the enemies - attack the remaining units once they all charge at that squad. After that you can gather forces. The task is simple, provided that you have retreated your units - watch the cutscene and attack the hero afterwards. After recruiting a few units, you can move out and attack the village B. Next In-game factions Anglo-Saxons Prev FAQ How to get resources? Regenerate your strength and capture the village A immediately (this one is located on the west). Time to build a base. Build a few structures, upgrade your units and prepare for another battle. Gather a lot of units. Split up your army and defend the settlement. Prepare yourself for the final battle. Capture the village. Burn his village as fast as you can to complete this mission. Place your units near an entrance to every tree. Once you are ready, send your units to the village D. Get rid of the watchtowers and be sure that the ally is in the camp. Difficulty level of this mission: 5/10 You and your ally start the mission in the north. You have a few squads and a hero - capture the village A. Approach the group of villagers - you will get access to all ally units on the map. Thanks to this you will face less units inside the main base, you have to fall back and head to the ally's main base. Capture it. Their bases are also easy to capture, especially during at a beginning of a game - their technologies are expensive which means that your enemy will probably focus on recruiting new units. Next Vikings Rurik Holmgard Prev Vikings Rurik Brotherly Help The key to success is to use their strong and mobile that is great in close combat. Vidar decides to kill both of his disobedient sons. Destroy watchtowers - try to synchronize your attack with your ally's charge. On the other hand, Vikings can be countered with archers and cavalry. Next Anglo-Saxons King Edward the Confessor Not all Surprises are Welcome Prev Vikings Rurik Battle on Two Fronts Last update: Wednesday, May 23, 2018 Next Vikings Rurik Holmgard Prev Vikings Rurik Brotherly Help This chapter contains walkthrough for Rurik's second campaign mission in Ancestors Legacy called "The Fate of Belozersk". Last update: Tuesday, May 29, 2018 Next In-game factions Anglo-Saxons Prev FAQ How to get resources? Place your units on the road located north-west from the village B - thanks to that you will be able to stop enemy attacks. This ends the mission and the campaign. Thanks to this tactic you can defeat the enemy, even with weaker units. After that Vidar will have a duel with Truvor. Difficulty level of this mission: 5/10 Time to end the conflict within the king's family. Vikings can also recruit new units really fast which means that you can flood your enemies with units. Now, you should focus on collecting resources. Soon, the ally will betray you. Send Vidar and the rest of the warriors to the village C. C.
